Cherish our extraordinary and spacious Royal Vanity Case that will envelop your toiletries and make-up items in splendor. Fashioned from our iconic signature monogram coated cotton canvas and complimented with an interior lining that sports our glorious Waterfall design, this artisan-made case will provide you with great joy and comfort. A rigid bottom with soft sides allows for easy packing. An adjustable gathered interior strap provides upright security for four of your favorites, and three elasticized front and side pockets wonderfully accommodate and organize smaller items. A crystal-clear vinyl lining invites your creams and serums to rest in comfort, and the inside cover boasts six chambers with a protective vinyl flap to house and cover your brushes, mascara, and pencils. A separate vinyl zip pouch is perfect for your supplements or smaller make-up items. Five special feet support and raise your vanity case off the counter to insure it remains dry from the elements. A special custom-made pillow fits inside the case snugly to keep its shape when not in use. The icing is our lovely Waterfall zip cover that preserves and protects in storage and travel.
